

2011 Official Hotel List

If you need a hotel room, we ask that you patronize one of our "OFFICIAL" hotels. These properties have all offered great deals for our marathon participants, friends and family. Furthermore, their support of the LA Marathon allows us to build a travel program that works for all of our out of town participants. Meet fellow participants, enjoy your weekend and run a PR while you're at it!

IMPORTANT RUNNER SHUTTLE INFORMATION

Shuttles will be available for all participants from Santa Monica to the Start on race morning. Downtown LA shuttles are ONLY for participants staying in official downtown hotels. Downtown shuttles will take you to the Start and return you from the Finish in Santa Monica to your official hotel downtown after the race. Upon check in to your downtown hotel, you will receive a wristband that will be required to board the shuttles. There is no shuttle service to the Expo on Friday and Saturday prior to the race.

We have put together a selection of hotels to suit everyone's preference. You can choose a hotel near the Start or the Finish, newer or historic, near the beach or downtown and choose from different price ranges. Each hotel has the guaranteed lowest rates for all LA Marathon participants. Bring your family and friends and make a weekend out of the 2011 Honda LA Marathon presented by K-Swiss.

*All rates are for single/double occupancy. Additional charges may apply for the 3rd and 4th guest depending on the hotel. Credit cards **ARE NOT** charged at the time you make your reservation, and are only used for guarantee purposes. Cancellation policy for all hotels is 72 hours prior to your arrival.*
