

## Legacy Runner Charles and Jane Cutting

When we did the first LA marathon we never dreamed that we would continue to do it every year and now it is 25 years and we want to continue doing it as long as we are able.

It was so nice of the LA marathon administration to put on special parties for the Legacies every 5 years--at 5, 10, 15, and 20 years. They gave us singlets, shirts, jackets and all sorts of goodies. Made us feel really special. Now 25 years should be even more special!

Charles has done a total of 191 marathons which includes 11 50k's and he has also completed at least one marathon in every state and belongs to two different 50 State Clubs. Currently he is training to do his first Ironman Triathlon in Coeur d'Alene, Idaho on June 27, 2010. He is 72 years old.

Jane (Janie) has done a total of 176 marathons which includes 7 50k's and has also completed at least one marathon in every state and belongs to two 50 State Clubs as well. Janie will be celebrating her 70th birthday on March 21 on LA marathon XXV!

We retired and moved from Southern California to northern Idaho in 2005. It is beautiful country and we enjoy it--even when we get several feet of snow all in one day!! But each year we travel back to Los Angeles for the marathon having to make major changes in plans as the date of the marathon jumped around for 2009. We are happy that the marathon is now in March again.

We enjoy traveling and have been in about 50 countries. We are spending most of January on an adventure in India.

We have 3 beautiful grown daughters and families living in Washington, Oregon and California. We enjoy spending time with them, especially with our 5 grandchildren. Two of the grandkids and their parents will be with us on our trip to India.

We like keeping in touch with the other Legacies. Each year we seem to lose a few to illness, injury or passing.
